From the President...

Happy and healthy Shanah Tovah to you and yours. May this coming year bring peace and freedom from strife for all of us as well as people throughout the world. May we also not experience sadness and suffering. May Hashem bless Israel and the USA.

It is my hope that all our congregants attend the services and receive Hashem's blessings. As Jews, this is our obligation as we are one people united together.

At this time I would like to thank our sister shul Congregation Sons of Israel for their generous donation in appreciation of the usage of our shul for their weekend services during renovations at their building. They have also graciously invited our members to attend their service of the first night of Rosh Hashanah, Sunday, September 9.

Again this year Jay and Betty Polonsky along with their committee will be planning a Break-the-Fast after the Yom Kippur services. Please submit your reservations ASAP. Also we are considering a comedy night where the featured comedian will be yours truly, so bring your sense of humor with you.

Doris and I are pleased to announce that we were blessed with a 3rd great grandchild (finally a girl) Emma Doris Thompson.

We ask that you silence all cell phones or other electronic devices prior to entering the sanctuary and that you arrive prior to the start of the Torah service. Please do not enter the sanctuary during the Torah service and do not leave until it is over. Also please refrain from talking during the services. Thank you for your cooperation.

*Elliot Hershoff,
President*

LADIES AUXILIARY
